Preparing yourself and your team with the necessary tools needed to be successful prior to working with youth and families is essential. The R.I.S.E. Boot Camp offers targeted, intensive seminars that include valuable tips, tools and resources to help you and your team find success working with children, families, schools and communities. Staff will leave equipped, trained and inspired to thrive in and out of the classroom.

We provide interactive, hands-on training and technical assistance to build capacity and help support you to create change with children, families and communities. All training themes meet LCAP priorities, emphasize a strengths-based approach, resources, and incorporate team building and promising practices.
